

DID YOU KNOW?

of clients wish their real estate professionals offered moving assistance.

...But only

of real estate professionals actually lend a hand.

Thanks to our partnership with Updater, it's easier than ever for you to deliver an impressive client experience around the move!

What is Updater?

Think of it like a “Turbo Tax for moving” – Updater is a time-saving tool that helps your clients organize and complete their moving-related tasks, such as transferring utilities, updating accounts and records, forwarding mail, sending digital moving announcements, and much more.

What makes Updater a must have for...

You?

Keep current clients

Stay top of mind long after closing

Generate new referrals

Clients? On average, they'll save

5+ hours

16 account updates

21 emails and phone calls
